NORWOOD, MO.
(Last week's items)
Mrs. Jas Kewpa of Norwood,
age, 63 died Monday after a ten
days illness of complication, be-
sides her husband two daughters
Mrs Jno Shores of Norwood
and Mrs. Claxton of Hartville
and a son, Mr. Crawford, also of
Norwood, and two sons in Colo-
rado survives her. She was a mem-
ber of the Baptist church, when
nearing death she said "I am
r ady and looking up smiled."
On account of her advanced age
and feeble health of her husband
she had not been able to attend
church much lately. May the
passing of this mother be a re-
mbrance that God is no respect-
er of persons and that we know
not the day nor the hour of his
coming.
Next Sunday the 16th is Tem-
perance Sunday, and Mrs. Jack
Bushley is helping some of the
little folks prepare a program

Have you noticed how large a
number of persons with whom
you stop to have a little chat,
speak of the dark blotches of
human nature in the lives of
some one? We will not except
the person of the highest moral
standing in the community.
Nine out of every ten persons in
a ten minute's talk will bring up
the defects in some one's life,
and one out of a hundred may
startle you by speaking of the
good that may be found in most
every individual. There is no
life without its defects, neither
without its excellencies and what
a different coloring it would give
to humanity if the rule was re-
versed to what it is. Dear read-
er it rests with you and us to
start the reform, and with
such a good start as we may be
able to give it, we are sure it
will be contagious if we persevere.
For when neighbors speak naug-
ht of ill and only laud the good
that is in us we will not be far
from the glorious period domina-
ted by the millenium.

Don't let all the sunshine in
nature become cloudy since you
are growing older.
The strength of a nation is in
the intelligent and well-ordered
homes of the people.
No one is useless in this world
who lightens the burdens of it
for another.
How much of your success do
you owe to your wife? It is
only just to own this fact before
her day by day. It will make
her happy and keeper youthful.
He is a selfish being who hav-
ing trouble in his trade or call-
ing profession, always brings
his troubles home for the pur-
pose of making everyone else
miserable.

YOUR KIDNEYS.
Mansfield Residents Must Learn The
Importance of Keeping Them
Well.
Perfect health means that every
organ of the body is performing its
functions properly.
Perfect health cannot be enjoyed
if the kidneys are weak and disor-
dered.
Thousands testify that Doan's
Kidney Pills have a reviving action
on weak kidneys.
What this remedy has done in so
many cases of this kind is the best
proof of its merit.
Read the following. It's testimony
gratefully given by a resident of
this locality.
Mrs. S. G. Dake, 410 S. Main St.,
Mountain Grove, Mo., says: "Some
years ago my back and kidneys were
giving me trouble. I suffered with
backaches all the time and it got so
bad, I could hardly straighten after
bending. My kidneys acted too of-
ten. I got Doan's Kidney Pills and
found them just the thing. A short
use cured the attack and helped me
in every way. Others of the family
have used Doan's with excellent re-
sults."
